

Making Inferences

Name: _____

Date: _____

Grade: Grade 3

Part A: Fix the Sentence

Each sentence has an error. Rewrite it correctly on the line.

1. Fix the sentence: Lily put on her bathing suit and sunscreen, so she must be going to school.

Rewrite: _____

2. Fix the sentence: The boy was crying and holding his knee, so he must be laughing at a joke.

Rewrite: _____

3. Fix the sentence: Mom put candles on the cake and hung up streamers, so it must be bedtime.

Rewrite: _____

Part B: Fill in the Blank

Write the missing word or number on each line.

1. Jake packed his glove, bat, and helmet. He is going to play _____.
2. The flowers were drooping and the soil was dry. They needed _____.
3. Emma was shivering and her teeth were chattering. She felt _____.
4. The puppy dropped a ball at Ava's feet and barked. It wanted to _____.

Part C: True or False?

Read each statement. Circle True or False.

1. Making an inference means using clues plus what you already know. True False
2. If a character is smiling, you can infer the character is probably sad. True False
3. Good readers make inferences while they read a story. True False
