

Point of View

Name: _____

Date: _____

Grade: Grade 3

Part A: Multiple Choice

Circle the best answer for each question.

1. Maya says, 'I was so proud when I won the race.' Kai says, 'I was sad when I lost to Maya.' What event are both describing?

- A) A spelling test
- B) A race
- C) A birthday party
- D) A field trip

2. In Maya's view, the race felt exciting and happy. In Kai's view, the same race felt sad. What does this show?

- A) The race did not really happen
- B) Different characters can feel different ways about the same event
- C) Only one of them is telling the truth
- D) Feelings are always the same

3. Rosa says, 'I loved the loud parade.' Ben says, 'I covered my ears because it was too loud.' Whose perspective finds the parade fun?

- A) Ben's
- B) Both of them
- C) Rosa's
- D) Neither of them

4. Two friends describe the same snowstorm. Why might their points of view differ?

- A) They made up the storm
- B) They had different feelings and experiences during the storm
- C) One was not there
- D) Stories cannot differ

Part B: Fill in the Blank

Write the correct answer on each line.

1. Two characters telling about the same event can have different _____ of view.
2. A character's perspective is shaped by their _____ and experiences.
3. If one narrator is happy and another is sad about the same game, their _____ differ.
4. Comparing two characters' points of view helps readers _____ a story better.
5. When two friends describe a storm, each shares their own _____ of view.
