Part C: Short Answer

Answer each question in one or two complete sentences.

1. What does the acronym FANBOYS stand for, and why is it useful for Grade 4 writers?

FANBOYS stands for For, And, Nor, But, Or, Yet, So. These are the seven coordinating conjunctions. The acronym helps Grade 4 writers remember them so they can join equal words, phrases, or complete sentences correctly using a comma before the conjunction.

2. Write one sentence that uses the coordinating conjunction 'yet' to join two complete thoughts.

Sam practiced piano every day, yet he still felt nervous before the recital. The conjunction 'yet' joins two independent clauses and shows contrast, similar to 'but.' A comma comes before 'yet' because it joins two complete sentences.
