

Latitude and Longitude

Name: _____

Date: _____

Grade: Grade 5

Part A: Fill in the Blank

Write the missing word or number on each line.

1. South America lies mostly in the Southern and _____ Hemispheres.
2. A place at 20 degrees north latitude is in the _____ Hemisphere.
3. A place at 110 degrees west longitude is in the _____ Hemisphere.
4. Asia is mostly in the Northern and _____ Hemispheres.
5. Europe is in the Northern Hemisphere and partly in the _____ Hemisphere.
6. The line at 180 degrees longitude is on the opposite side of Earth from the _____ Meridian.
7. Cities at 5 degrees south latitude are still close to the _____.
8. A globe shows that latitude lines look like _____ rings around Earth.
9. A globe shows that longitude lines look like _____ slices from pole to pole.

Part B: Matching

Match each item on the left to the correct answer on the right.

1. Match each item to its correct answer.

Africa	→		Mostly Eastern Hemisphere, crosses the Equator
Australia	→		Southern and Eastern Hemispheres
North America	→		Northern and Western Hemispheres
South America	→		Mostly Southern and Western Hemispheres

Answer Key · Latitude and Longitude · Grade: Grade 5

Part A: Fill in the Blank

Write the missing word or number on each line.

1. South America lies mostly in the Southern and Western Hemispheres.
2. A place at 20 degrees north latitude is in the Northern Hemisphere.
3. A place at 110 degrees west longitude is in the Western Hemisphere.
4. Asia is mostly in the Northern and Eastern Hemispheres.
5. Europe is in the Northern Hemisphere and partly in the Eastern Hemisphere.
6. The line at 180 degrees longitude is on the opposite side of Earth from the Prime Meridian.
7. Cities at 5 degrees south latitude are still close to the Equator.
8. A globe shows that latitude lines look like horizontal rings around Earth.
9. A globe shows that longitude lines look like vertical slices from pole to pole.

Part B: Matching

Match each item on the left to the correct answer on the right.

1. Match each item to its correct answer.

Africa	→ <u>Mostly Eastern Hemisphere, crosses the Equator</u>	Mostly Eastern Hemisphere, crosses the Equator
Australia	→ <u>Southern and Eastern Hemispheres</u>	Southern and Eastern Hemispheres
North America	→ <u>Northern and Western Hemispheres</u>	Northern and Western Hemispheres
South America	→ <u>Mostly Southern and Western Hemispheres</u>	Mostly Southern and Western Hemispheres
